To our valued customers.

Our goal is to serve you to the best of our ability. It is important to us that we meet or exceed your expectations. We proudly insist that every order be fulfilled satisfactorily on time. We appreciate your suggestions and comments on our catalog. We are against the consumption of alcoholic beverages by any minor. **We emphasize that our custom decorated glassware is a reminder of a very special time in a student's life and it is never intended to be used in contribution to underage drinking. The campaign to educate students about the dangers of alcohol is vital and we fully support these efforts.**
