\*Prom Souvenirs by Moderne Fundraiser Program\*

Thank you for your interest in Prom Souvenirs by Moderne Fundraiser Program. According to the National Candle Association, 7 out of 10 homes in the United States burn candles. This makes candles a great item for your next fundraiser, including fundraising for athletic teams, band, student organizations, school field trips, and of course proms! Candles have quickly become the "Fundraiser of Choice" by many organizations because the products are easy to sell, are of excellent quality, and the rewards greatly exceed those of the traditional fundraiser involving candy, wrapping paper, etc.

Our candles are hand poured using only the finest ingredients, including a unique clean burning soy wax blend with all cotton wicks. All candles are double wicked to burn evenly and for a long period of time - Each 10 ounce candle burns an average of 65 - 75 hours.

Most importantly, we offer your organization 40% of the total sales. For every candle you sell at \$12 each (includes shipping), you profit \$4.80 per candle! An average fundraiser involving 20 participants can easily make over \$3000!!!

You can make the same profit selling just 10 Apothecary Jar Candles as you would if you sell 70 candy bars. All candles are prepared after the order is finalized, so you can be assured that what you deliver to your customer will be fresh and exactly as advertised.

Please contact us if you would like additional order forms for your next upcoming fundraiser. Email: [prom@mglass.com](mailto:prom@mglass.com) Phone: 800.544.7637 Fax: 800.883.9038 or Order online: [www.promsouvenirs.com](http://www.promsouvenirs.com)
